Re: *State of Oklahoma v. Tyson et al.*,
No. 05-CV-0329-GKF-SAJ

Dear Robert:

This letter is in response to your inquiry regarding the State of Oklahoma's position relative to certifying some or all of the questions raised by the Poultry Integrator Defendants in their Motion for Judgment as a Matter of Law in Light of Plaintiffs' Constitutional Violations (Doc. No. 1064). The Court in ruling on this motion made clear that it was up to the State of Oklahoma to decide if it wished to have this motion certified. The Court further stated that it was comfortable denying the motion and did deny the motion. In light of our evaluation of your motion's lack of merit, the State of Oklahoma has no interest in having this matter certified. Given the Court's bench ruling, that should conclude this matter.

Should you have any question concerning this position, please call.

Sincerely,

Louis W. Bullock
