Re: *State of Oklahoma v. Tyson*
Our File No. 1790-2

Dear Richard:

I have reviewed your email that came in Monday. As I told you before we submitted our status report to Judge Joyner on the 11th, we simply do not have enough people to deal with the albums of DVD documents we have been receiving relating to your PI expert witnesses to have any time to prepare a person for a requested 30b6 witness before the PI hearing. We told the Judge the same thing and he deferred every matter on which the parties could not agree to a time after the preliminary injunction hearing. I said as much in my letter to you of January 16. I am very willing to set a firm date now for presenting a 30b6 witness after the hearing. I suggest that date be after spring break so we can be assured of having a witness.

Very truly yours,

John H. Tucker
