A I wouldn't say that that protects. I think that is a source is designed to protect. I -- I like the wording designed. I think that yes, it will help, but I don't think it's the whole -- the whole answer.

Q If you -- the reason I'm using the word land applicators is because I understand that a lot of people put litter down other than poultry growers?

A Yes, that's true.

Q So that's why I use the word land applicator. If -- if -- what else is there for a land applicator to use to guide his conduct in managing litter besides the animal waste management plan?

A That's -- that's primarily it other than speaking to somebody personally.

Q Well, if I have a written animal waste management plan that specifies what can be done in field two at Farmer Jones' place, I should be able to read that plan and follow that plan if I'm an applicator; correct?

A I think so.

Q In other words, I shouldn't have to call you every time?

A That's true.

Q Okay. So I want to come back to this prior
